

“Roshan Kal” (Internship Program) is a partnership of private sector organizations, all of whom are passionate about upskilling the youth of Pakistan. The initiative's partners acknowledge the positive influence of employment on society and are committed to supporting the youth in developing the necessary skills for the workforce.

What sets us apart?

- **Comprehensive Learning Experience:** Students will have the chance to work closely with experienced professionals who will guide and mentor them. Our program is designed to provide hands-on experience, allowing students to apply their theoretical knowledge to real-world scenarios.
- **Challenging Projects:** As an intern, students will have the opportunity to tackle meaningful projects that contribute to our organization's growth. These projects will help them develop crucial skills, build a strong professional network, and boosting their resume.
- **Learning and Engagement Sessions:** Students will get a chance to attend learning and engagement sessions with all organizations from this coalition throughout the internship journey creating a holistic learning experience. This is what truly sets us apart as program giving students cross-industry exposure.
- **Networking Opportunities:** Throughout the program, students will have numerous chances to connect not only with seasoned professionals but also with Roshan Kal Interns in other organizations of this coalition. These connections can open doors to exciting career prospects.
