Subject: Invitation for Fulbright Scholarship and GRE

Dear Concerned,

I'm messaging you on behalf of Lincoln Corner Karachi. Lincoln Corners are partnerships between the Embassy of the United States of America and selected institutions in Pakistan.

We would be glad if you could float our event's invitation among your students via email or text message.

Mentioned below are the details of our event.

The most awaited Fulbright Scholarship Program is about to open. Therefore, Lincoln Corner Karachi is organizing an informative session for the students about application guidelines, eligibility criteria, available disciplines, GRE and much more.

The session will be delivered by USEFP, an organization that administrate Fulbright in Pakistan.

The program funds up to 12 months of scholarship which enables students from abroad to study and conduct research in the United States.

We would hereby like to invite 3rd and 4th year of Bachelors and Masters students to our session on "Fulbright Scholarship and GRE".
