

The Trailblazers Engineers Scholarship – 2023

First to Final Year Engineering Department

The Trailblazers Engineers are former graduates of the Civil Engineering Batch of 1980-81 from the NED University of Engineering & Technology, Karachi.

We believe that **“EDUCATION IS THE LIFE-BLOOD OF CIVILIZATION”** and it gives us immense pride and joy to reach out to our future bright engineers of **tomorrow**, who are following our footsteps by joining the prestigious NED University of Engineering & Technology.

Kindly send this information to **all Advisors in the NED University of Engineering & Technology**; as this year we are planning on giving scholarships to all the students who are pursuing their career in various **19 Bachelor of Engineering (BE) Degree Program** from any Engineering Department at the NED University of Engineering & Technology. We intend to continue helping the neediest students with a proven track record of academic excellence and will financially support students in their endeavor to successfully complete their academic programs.

Interested candidates are requested to duly fill out the **ONLINE** scholarship form <https://www.trailblazersengineers.com> and attach relevant documents for consideration of financial assistance by **31st January 2023**.

With immense pride and joy, this year on 24th **June 2022**, we offered scholarships to a few students who are pursuing a Bachelor of Civil Engineering degree at the prestigious NED University of Engineering & Technology.
