

Project Based Internship Program-2017 By

JS Bank Limited

JS Bank Limited is pleased to announce its 1st Project Internship Program to provide brilliant and young students with an exposure to experiential learning of their academic knowledge and skills in a corporate work environment. The interns will gain hands-on learning experience by contributing to key projects being run within the Bank and develop valuable skills and banking expertise to get an edge over their peers.

Minimum CGPA of 2.8 is required

JSBL looks for excellent team players, having strong numerical and communication skills with a drive for banking.

To Apply for Internship, Please send your CVs at

Careers-br@jsbl.com

Duration of Internship 6-8 weeks (Extension Possible based on performance).

Last date to Apply: Friday, 5th May 2017
