

# Pakistan Innovation Foundation Civic Innovation Fellowship and Internship

## **Civic Innovation Fellows – Graduates:**

FOUR (4) PAID FELLOWSHIPS\* will be offered to recent graduates or graduate students who have worked on an innovative civic idea (or have one they want to work on) that can help solve one of the many pressing problems of Karachi. KCIL Civic Innovation Fellows should be willing to spend 4 months working full-time on their ideas and deliver a pre-defined output/outcome as per a mutually agreed upon work plan. The fellows shall be offered a fellowship 'stipend' equivalent to market competitive salaries for young graduates for the duration of the fellowship.
