

The NEDIAN PK and NEDIAN NA mentors, along with professionals from Saudi Arabia, UK, USA, UAE, and Australia, are guiding graduating seniors in Pakistan with their careers, communicate about their industry, and teach them life skills like confidence, time management, and critical thinking along with career counseling. The program is free of charge.

Mock Interview Competition 2025

Mock Interview Competition is a flagship initiative designed to help final-year students refine their interview skills. This year the competition began with **240 registered students** who underwent a certification process, narrowing the pool to **34 shortlisted candidates**. From these, the **top 10** competed in mock interviews.
