

Dated; 9<sup>th</sup> May, 2022

## **KAISPE SUMMER INTERNSHIP PROGRAMME**

**KAISPE** is a Microsoft Partner and ISV (Independent Software Vendor) with strong focus in delivering software products and services using Microsoft Azure, Dynamics Business apps and Power platform. We have years of experiencing implementing enterprise solutions using Microsoft technologies for Manufacturing, Distribution, Retail, Construction and Health Care industries. With offices in USA and Pakistan, our customers are in North America, Central EU, Africa and Asia regions. We are Microsoft Co-Sell partner and an Indirect Reseller.

We have served around 100+ customers and 1000+ projects globally. Our team was also part of Microsoft Global Financial Management and Public Sector groups for Microsoft Dynamics AX2009 and AX 2012 product releases.

### **JOB DESCRIPTION**

To be successful as an Intern, you should be willing to help with any tasks assigned by a supervisor. You will be involved in upcoming projects as well as assisting with current assignments. You will learn by assisting various departments. You will be working closely with the team to conduct research, capture data, monitoring social platforms and conducting market analysis.

### **WE ARE LOOKING FOR:**

- We want currently enrolled Bachelor's/Master's/MBA students who are graduating in the summer/winter of 2023.
- Students who are born leaders, are hardworking and are passionate to make things happen.
- Good verbal and non-verbal communication skills.
- Have strong analytical and critical thinking skills.
- Flexible and willing to learn and get hands-on experience.
- A quick learner, with attention to detail, and the commitment to meet deadlines.
- 

### **WHAT WE OFFER:**

- Continuous Coaching & Mentoring.
- As an intern, you'll receive a market competitive internship allowance.
- Vibrant, versatile and respectful work environment.

### **Departments:**

**HR, IT, Software Development, Functional Consultancy, Finance**
