

Pakistan Association of Automotive Parts & Accessories Manufacturers

"Engineering Innovation Award"

At Pakistan Auto Show 2022, July 29-31

www.pakistanautoshow.com

PAAPAM has created an independent forum named PAAPAM Skill Development Center (PSDC) which has the mandate to organize seminar, workshop, symposium and industry-academia linkage. This forum has an objective to create an opportunity for young students to showcase their **Final Year Projects** to prove their capabilities in front of the industry.

The association desires that you display your best engineering projects at the exhibition that reflect innovation, cutting-edge nature and benefits to the user. The projects will be judged on the same criteria and the awards will be announced, along with PRIZE MONEY and a CERTIFICATE, during Pakistan Auto Show 2022.

Prize Money for the Winners is set as below:

Prizes	Engineering Innovation Awards
1 st	PKR 100,000/-
2 nd	PKR 75,000/-
3 rd	PKR 50,000/-

Note:

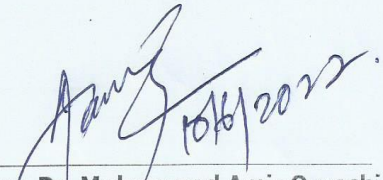

- Pakistan Auto Show Organizing Committee will not only provide the students with the stalls to display their ventures but also bear all the expenses pertaining to display (flexes, posters & stall build-up etc.)
- Each Student will be provided by Daily allowance of PAK 500/- as refreshment and conveyance allowance.

Respected Chairpersons, B.E Advisor/Coordinator FYDP:

It is requested that please send the nominations as per the enclosed Proforma in soft copy at dil@neduet.edu.pk latest by Friday, 17th June, 2022.
