

Notice

IAESTE Pakistan Programme

International Association of Exchange of Students for Technical Experience (IAESTE, Founded in 1948) being an international level program aims to broaden the horizon of young intellectuals in all the fields of studies from various technological institutes of the world. It bridges the gaps between the industry and eminent scientists and engineers from all over the world.

International exposure as well as paid internships is also available.

Interested faculty and students may be benefited from IAESTE by visiting website: www.iaeste.org.
