

Interesting times are upon us. Can a business graduate solve global warming? Or will an engineer spark the next revolution in banking? We foster an environment where possibilities are realized by the game changers of tomorrow. This is where dreamers and doers can embrace the mission to believe in a vibrant future together. The Management Trainee Programs we offer welcome you to join the evolution.

House of Habib is all set to welcome the Graduating Batch of 2024 **NED University of Engineering & Technology** for the Mission Believe Group Graduate Trainee Program 2024/25 and the details are as follows:

Date	Schedule
6 th March – 10 th March 2024	Register now
12 th March 2024	Test link to be sent
15 th March 2024	Test link to be expired
Post Eid	Initial interviews of shortlisted candidates to be conducted

Be prepared as we are looking for intuitive individuals who have a go-getter attitude, are agile and can evolve as effective leaders to shape our future and design it in the present. You can apply for the following Management and Trainee Engineer Programs:
