

Akhuwat, Alhamdulillah is the world's largest Interest-free Islamic Microfinance Program working on the mission of alleviating poverty in Pakistan. It provides interest-free microloans to Pakistani community living below the poverty line. Akhuwat has disbursed 220 billion loans among 5.4 million underprivileged families.

The Akhuwat Internship Program aims to foster a community of changemakers dedicated to volunteerism and necessary compensation for philanthropic endeavors. Our volunteers, hail from all walks of life, representing diverse backgrounds and perspectives, come together at Akhuwat to enact meaningful change and serve as catalysts for positive impact in the community.

Akhuwat is offering an exciting opportunity through its Virtual Internship Program, 2024. This program provides experiential learning opportunities, focuses on capacity building by fostering multicultural competence and sensitivity to individual differences. Join us in this remarkable initiative aimed at collective growth and development.
