

NED UNIVERSITY OF ENGINEERING & TECHNOLOGY

No. DR (Estab)/(984)Vol-II/4913

Dated:04-09-2025

CIRCULAR

It is hereby notified for information to all that for prophylaxis against diseases like Dengue / Malaria following precautionary measures are required to be taken especially during rainy season:

- Keep the surroundings of your home clean, avoid clogging of water, cover the drains to prevent breeding of mosquitos.
- Irregular / uneven ground surfaces should be levelled in order to prevent accumulation of water.
- Use appropriate clothing to prevent bites, mosquito repellents as an when required.
- Used cans and bottles must be thrown into dustbin which should also be covered with a lid.
- Use mosquitos screen or nets in the room.
- In case of malaria / dengue symptoms early consultation with the doctor is necessary and this will facilitate timely diagnosis and treatment to prevent complications.
